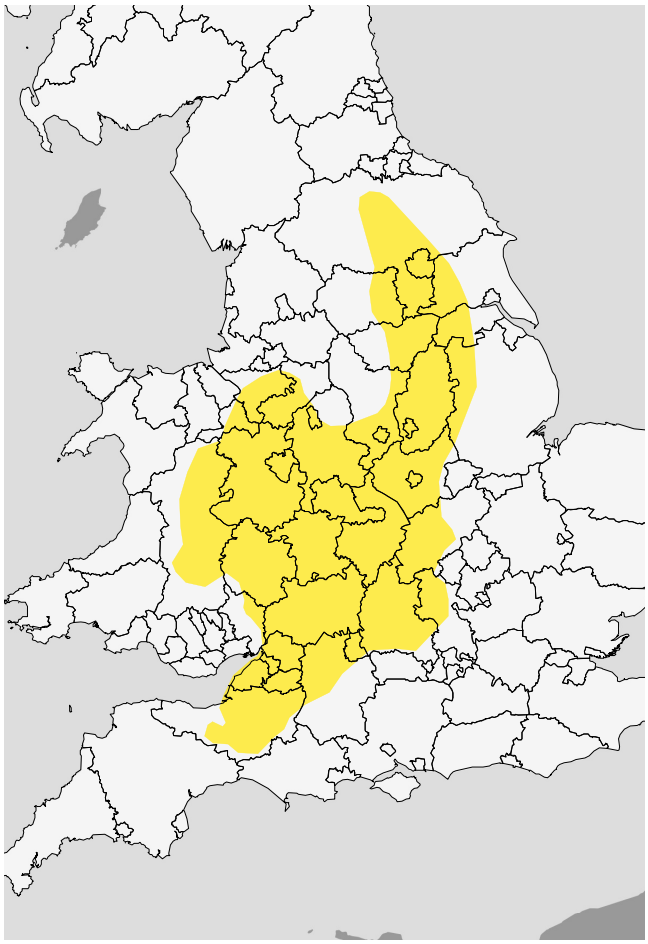
Yellow warning
Fog

Between
02:00 Sat 21 Jan 2023 and
11:00 Sat 21 Jan 2023



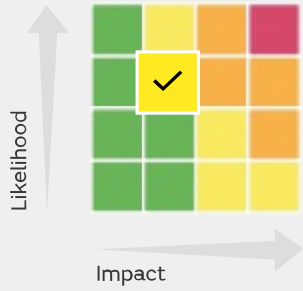
Freezing fog is expected to lead to some travel delays on Friday night and Saturday morning

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

Further details

Freezing fog is expected to develop during Friday night and will be slow to clear in places through Saturday morning. Some fog could be quite dense with the visibility falling below 100 metres at times. Additionally, freezing fog may lead to some untreated surfaces becoming slippery. Western England is more likely to see freezing fog persist into late morning and in a few places into the afternoon.



✓ Medium likelihood of low impacts
